Agreed on staff. PCTn discussion plus benefits are currently included in slides, so SIAB and BAB should both be invited.

With the caveat that I'm really clueless about everything happening . . . I don't think anyone from EAB is involved.

When do you think the team will be ready to brief Alex on the status of aldicarb?
She is still looking to meet before Thanksgiving. We need to get it on the calendar soon.
She is OK with briefing both her and Ed together due to the timing.
We should also ask to have Carrie at the meeting if available as she is also interested in this one.
